Covid 19 Vaccinations

Pfizer Vaccines are available for 5-11 year olds (Orange) Clinics 10/01/2022

12+ year old (Purple) Currently booking 1st, 2nd and booster doses.

Covid 19 Winter Dose available now.

Covid 19 PCR Testing

Testing is available by appointment only, please call reception to arrange a time.

You will be asked to drive through the car park at the rear of surgery.

Please call reception on arrival and one of our nurses will come to you in your vehicle to perform the test.

Covid RAT tests

RAT tests are available here for our patients who present with flu like symptoms.

If you have an appointment with your doctor and are concerned you may be covid positive Please ask for a RAT.

Feedback

Your Feedback is valuable to us. A recent Survey was completed by **CFEP Surveys**.

Your feedback was collected and is to be used to improve the services we provide.

These are some identified areas that we will improve on

1. Reduce Waiting Times
2. Staffing Ratios - more staff means phones are answered quickly
3. Ensure reception staff have more training to lessen errors when making bookings.

Thank you to everyone who took time to fill out a questionnaire.

These are some areas we do well:

1. Our reception staff are friendly and work very well together
2. Doctors at the Practice are fantastic, caring and professional
3. Care and attention is 10 out of 10!
